THE LIBRARY OF CONGRESS
WASHINGTON : 1957

INTRODUCTORY NOTE

The **MONTHLY LIST OF RUSSIAN ACCESSIONS** is a record of the publications in the Russian language received by and outside the Soviet Union that are currently received by the Library of Congress and is prepared cooperatively by the Library's [illegible] Division. Whenever possible, publications printed in other languages of the Soviet Union are also included. However, publications in the languages of the [illegible] Republics and languages of Eastern Europe are not included, since they are covered by the [illegible]

The **MONTHLY LIST** consists of three parts. Part A lists monographic literature, but no [illegible] publications other than books are included. To facilitate the use of this LIST by readers who are not thoroughly familiar with the Russian language, the title in the original language in Part A is preceded by the English translation in brackets.

Part B lists [illegible] periodicals with their tables of contents translated into English. However, [illegible] publications other than books are not included.

Part C [illegible] provide for each of the monographs and periodical articles listed in Parts A and B. Monographic [illegible] are listed under the appropriate subject headings first, followed by the periodical [illegible]. [illegible] and readers desiring [illegible] monographs or periodical articles, the [illegible] monographic [illegible] are printed on slightly heavier type than the periodical articles. The titles of monographic [illegible] are given both in the original language and in English translation, whereas titles of periodical [illegible] are given in English translation only. In citing periodical articles the following [illegible] may be used for the months of the year:

Ja	January	My	May	S	September
